A. Ops Participation in PSB Activities during April 1952:

1. Accomplishments:

Terms of Reference for Southeast Asia and for the Middle East Planning Panels have been established. Terms of Reference for the Panel on Japan are under review and discussion.

The exploratory surveys concerning the use of escapees in military elements and educational training programs have been completed.

25X1A The ad hoc panel of Departmental and Agency representatives  
25X1A convened to report on the status and progress of Plans [REDACTED] 25X1A  
and [REDACTED]. The overt coordination between State and Defense  
is progressing satisfactorily. The covert coordination, including  
the logistical aspects of Plan [REDACTED] are being coordinated  
between CIA and Defense. 25X1A

25X1A Coordination panel for Plan [REDACTED] has met regularly once  
a week. Ops proposed actions to support PSB Plan [REDACTED] were submitted  
to interdepartmental representatives for comment and concurrence. 25X1A

25X6 [REDACTED] Panel has completed a draft plan which is now being  
circulated among participating agencies for formal approval.

B. Strategic Planning Activities:

1. A revised compilation of CIA/ops capabilities to support a national psychological strategy, dated 24 April 1952, was submitted to DD/P for transmittal to [REDACTED] PSB.
